

Executive Headteacher: Tony Machin

Monday, 1 December 2025

Important Notice: Late opening on Tuesday, 2 December

Dear parents and carers,

South East Water anticipates that the water supply issue, which affected all of Tunbridge Wells and required us to close the academy on Monday, 1 December, will be resolved by Tuesday, 2 December.

To ensure the site is safe and to allow time to update parents and carers, we plan to open the academy to students at the later start time of 10am on Tuesday, 2 December.

This situation could change, so please check the website for updates throughout the morning.

Thank you for your understanding and support.

Yours sincerely,

Tony Machin
Executive Headteacher
