

Outdoor Learning Journey

The purpose of the outdoor learning curriculum:

- ◆ To give opportunities to students work in a team outside of the classroom
- ◆ To give students a new set of practical skills that can only be taught be doing
- ◆ To allow students to try new things and widen their range of skills and interests
- ◆ Allow students to experience the working world and give them an understanding about the world outside of school

Our Core Values

Conviction:

To use art to communicate ideas that matter to us and affect the world around us

Determination:

To constantly try to improve our art.

Reflection:

To establish what art means to us and how we can develop through it.

Ambition:

To develop a positive relationship with art and see how it can help in the future.
